APMA EDUCATIONAL FOUNDATION NAMED SCHOLARSHIP SELECTION CRITERIA

Candidates for scholarships awarded by the APMA Educational Foundation will be determined using standard criteria developed and approved by the APMA Educational Foundation Board of Directors. A minimum of five percent of the APMA Educational Foundation's Endowment corpus is used annually for scholarship funding. The Endowment fund is comprised of a multitude of corporate, individual and organizational contributors.

Three primary criteria are used to determine recipients of an APMA Educational Foundation award. The criteria and the importance given to each criterion reflected by percentage are as follows:

- ❖ Thirty-three percent (33.3%) financial need, as determined by the U.S. Department of Education financial needs analysis.
- ❖ Thirty-three percent (33.3%) grade point average (G.P.A.). Applicants must possess a minimum of a 2.5 GPA.
- ❖ Thirty-three percent (33.3%) extra-curricular activities, such as community service/school leadership or student involvement.

Other policies governing scholarship disbursements:

- ❖ That a minimum of five percent of Endowment corpus be used annually and distributed to all eight colleges.
- ❖ That all scholarships be distributed to third and fourth year students.
- ❖ That selection criteria be assessed, applications reviewed and final decisions made by a committee at each college comprising of 3-5 members to include, but not limited to, the financial aid officer, faculty and administration members.
- ❖ That the APMA Educational Foundation make payments to each school specifically identifying individual student scholarship recipients. The scholarship funds must be directly credited to the student's tuition account.

INDEPENDENT AWARDS OFFERED THROUGH THE APMA EDUCATIONAL FOUNDATION

The APMA Educational Foundation administers one independent award, which has its own selection criteria. Please read the qualifications carefully before applying. If a candidate would like to apply for more than one award offered through the APMA Educational Foundation, a separate application must be completed for each scholarship.

- ❖ **MARYLAND RESIDENCY SCHOLARSHIP** will provide two \$1,000 scholarships to each fourth year class selected by the Des Moines University College of Podiatric Medicine & Surgery. The award is for travel expenses when applying to Maryland residency programs.
