

Diabetes Products with the APMA Seal

Up to 25 percent of people with diabetes will develop a foot ulcer in their lifetime. That's why special products designed specifically for people with diabetes, from socks to moisturizers, are so important. The American Podiatric Medical Association (APMA) has awarded its prestigious Seals of Acceptance and Approval to many of these foot care items. Listed below are just a few of the products available. Additional information can be found at www.apma.org/seal.

Productos para la diabetes con sello de la APMA

Casi el 25% de las personas con diabetes desarrollarán una úlcera en los pies durante su vida. Por este motivo, los productos especiales diseñados específicamente para personas con diabetes, desde medias hasta productos humectantes, son muy importantes. La Asociación Médica Estadounidense de Podiatría (American Podiatric Medical Association, APMA) ha otorgado sus prestigiosos Sellos de Aceptación y Aprobación a muchos de estos artículos para el cuidado del pie. A continuación se mencionan solo algunos de los recursos disponibles. **Puede encontrar más información en: www.apma.org/seal**
