HOW CAN I CONNECT?

There are THREE pathways to engage with APMA’s members:

1. Corporate Partner Program
   Align your brand with APMA’s innovative priorities as a corporate Partner, Leader, or Associate.

2. Annual Scientific Meeting
   Align your brand with our most popular event as a corporate Partner or Leader.

3. Exhibit Hall
   Showcase your product or service in the exhibit hall of our Annual Scientific Meeting.
JOIN THE CORPORATE PARTNER PROGRAM

Join the approximately 50 companies each year that amplify their visibility through targeted sponsor and grant opportunities within our corporate partner program, ranging from $5,000–$125,000. Make an unrestricted educational grant to support our continuing medical education programs, or sponsor various APMA activities. All members of the program receive generous advertising and recognition.

The following programs are available for partnership. Live, digital, and print options are available.

The National
Drawing a nationwide network of podiatric physicians and surgeons each year, the APMA Annual Scientific Meeting (The National) remains the premier avenue for corporate partner involvement. Partners can make unrestricted educational grants, sponsor product theaters and receptions, and brand a variety of elements at this flagship conference, including the Team APMA 5K Run/Walk. Explore The National further on pages 7–13.

APMA Registry (New)
Develop customized research programs in conjunction with APMA.

Coding Resource Center
The premier online coding reference in podiatry, with more than 1,000 subscribers.

Coding Seminar
Make an unrestricted educational grant to support this popular event offering continuing education contact hours (CECH). The live meeting draws more than 150 participants, while the virtual platform registration exceeds 500 participants.

Educational Foundation
Make a tax-deductible gift and join a transformative effort to shape our field. The APMA Educational Foundation has given more than $4 million in financial aid to academically talented students at colleges of podiatric medicine since 2005.

Legislative Advocacy
APMA is the only organization lobbying for podiatrists and patients on Capitol Hill.

Public/Member Education Campaigns
Associate your brand with our signature public education campaigns on timely foot and ankle health topics. Your brand is included in outreach to the public through APMA’s social media platforms, as well as grassroots materials used by members. The campaigns are supported by significant earned media and paid advertising efforts.

Residency Education Resource Center (REdRC)
Thanks to our sponsors, the REdRC is a free online educational resource for APMA-member residents. Sponsors may place educational content on the site.

Regional Lecture Series
Work with APMA to design a customized non-CECH regional lecture series lunch program, or support a CECH regional lecture series program at conferences hosted by our component organizations or regions.

State Advocacy Forum
Sponsor this one-of-a-kind meeting that brings together APMA’s state component leaders to strategize and collaborate on state legislative and legal issues affecting podiatrists and their patients.

Student Recruitment (New)
Join our initiative to increase the number of qualified applicants to podiatric medical schools. Visibility is offered through a brand-neutral website, digital media campaigns, and the Step into Podiatry event at The National.

Webinars
Looking for a dynamic way to connect and engage with APMA members? Our sponsored webinars are the perfect way to expand your reach and generate more qualified leads while positioning your brand as a thought leader in the field by presenting your latest research and products.

Our one-hour webinar package utilizes a strategic promotional campaign that incorporates social media, exclusive e-blasts, and frequent mentions in the APMA Weekly Focus sent to all members.
The post webinar report includes contact information for registrants along with an overview of social media engagement metrics.

A recording of your webinar will also be published on the APMA Media Hub for on-demand access.

**Weekly Focus Digital Publication**
With a nearly 30 percent open rate, this weekly news publication is sent to our entire membership of 12,500 podiatrists, as well as others in the podiatric medical community. Ask about other publications options.

**Young Physician Programming**
APMA’s young physician members have unique and evolving needs. APMA has many opportunities to support events targeted to this important demographic:

- **The Young Physicians’ Institute (YPI):** Taking place every fall, the YPI brings together 50 newer practitioners and those in residency to expand their leadership skills, learn about growing a practice, and hear from experts on financial planning and other critical issues. Attendees take the knowledge gained back to their state component society and help ensure the present and future success of the profession.

- **The APMA Podcast:** The APMA Podcast serves as another platform for members to receive valuable and exclusive member-only content on a variety of topics. Each individual episode is embedded directly in the APMA website, so members can listen to each episode on the site. Sponsor an episode, mini-series, or full season. Ask us about metrics for this new program.

- **Young Physicians’ Reception; Lunch and Learn Sessions at The National:** The Young Physicians’ Reception at The National is a networking event intended for residents and young practitioners. Lunch and Learn sessions give young physicians the opportunity to present a one-hour lecture (or a series of brief lectures) on topics relevant to their peers.

**WHAT IS MY RETURN ON INVESTMENT (ROI)?**

EXHIBIT SPACE FAQS

Who is eligible to exhibit?
The exhibits are an extension of APMA’s educational program. In order for APMA to accept an application, the products and services must promote podiatric medicine and/or enhance the podiatric profession. APMA reserves the right to refuse applications for any reason.

How is space assignment determined?
The APMA Priority Point system is used to determine space assignment for all booth space requests received by Friday, November 5, 2021. This system develops a priority number for each exhibitor, based on the company’s support of APMA for the past three years, using the following criteria:

1. Consecutive years exhibited with APMA
2. Number of booths taken per year
3. Advertising placed in APMA publications
4. Support for APMA educational programs and other APMA programs

To benefit from the Priority Points rating, the application for exhibit space must be received on or before Friday, November 5, 2021. Applications received after Friday, November 5, 2021, will be assigned space in order of date received. APMA reserves the right to assign the next-best substitute space when the requested space is not available. Because it is not possible to contact each company, please do not concentrate all choices in one area of the exhibit hall. APMA reserves the right to reassign exhibit space.

The booth rental fee includes:
- pipe, drape, and company identification sign (note: sign available to island booths upon request);
- complimentary meeting pre-registrant data file;
- complimentary registration for your booth personnel;
- complimentary badges for your booth personnel;
- complimentary refreshment breaks in the hall with attendees;
- recognition on APMA website with link to company home page;
- recognition in print and digital meeting promotions;
- recognition in mobile meeting app, with link to company home page; and
- complimentary basic listing in APMA Buyers’ Guide.

The booth fee does not include furnishings or any other booth supplies. Booth supplies can be ordered at the Expresso by GES site. Visit www.apma.org/exhibits for the link.
