*Educational Initiative of the American Podiatric Medical Association*

## 2019 Annual Giving Campaign

A contribution to the Educational Foundation is one of the most important investments you can make for the future of our students and the podiatric medical profession. We invite you to make a tax-deductible contribution today and be recognized as a 2019 donor. Donations can also be made online at [www.apma.org/donate](http://www.apma.org/donate). Ninety percent of your donation will directly benefit the student scholarship fund. Ten percent will be directed toward general operating expenses of the foundation, which include managing the scholarship program and important fundraising activities.

Yes, I will donate to the APMA Educational Foundation 2019 Campaign.
