

GENERAL INFORMATION

The Northwest Academy of Podiatric Medicine works with APMA component organizations/societies for appropriate CME/CEU approvals. This program is seeking approval for 22.0 CME/CEU. If any state society requires additional documentation through its own accreditation process, we will be more than willing to help expedite the process for any of our registrants. Please check with your individual states/societies for their specific CME/CEI guidelines.

* Scientific Chairman: Molly S. Judge, DPM, FACFAS
