Dear Industry Friends,

APMA continues to stand strong and set the standard for continuing medical education programs, whether virtual or live. Despite recent challenges, the world of podiatry continues to move and change. New advances in medicine and technology mean that the need for cutting-edge education continues, and ensuring that our members are up-to-date on the newest treatments and technologies will always be a focus for APMA.

To that end, we invite you to participate in the APMA 2021 Annual Scientific Meeting (The National), which will be held July 29–August 1 in Denver at the Gaylord Rockies Resort & Convention Center. We also invite you to explore the many beneficial ways your company can partner with APMA, whether in digital, print, or live formats.

As usual, the meeting will draw attendees from across the nation. It will feature an outstanding faculty and a dynamic show floor featuring companies from all walks of industry. This event is your opportunity to showcase your products and services, connect with thought leaders, and reinforce your brand influence in the podiatric medical community.

Establish your presence at The National as a sponsor, exhibitor, or both. Educational grant opportunities are also available. Sponsorship options that offer the most visibility and access are limited and sell quickly, so you’ll want to finalize your plans early. If you’re interested in a customized solution, we stand ready to create a package tailored to your specific needs. Priority booth assignment is also limited. You’ll find complete details on all opportunities to partner with APMA within this prospectus.

We look forward to The National 2021, and hope you’ll join us as we present an amazing experience in Denver!

Sincerely,
The APMA Team

**HOW CAN I CONNECT?**

There are THREE pathways to engage with APMA’s members:

1. **Corporate Partner Program**
   Align your brand with APMA’s innovative priorities as a corporate Partner, Leader, or Associate.

2. **Annual Scientific Meeting**
   Align your brand with our most popular event as a corporate Partner or Leader.

3. **Exhibit Hall**
   Showcase your product or service in the exhibit hall of our Annual Scientific Meeting.
JOIN THE CORPORATE PARTNER PROGRAM

Join the approximately 50 companies each year that amplify their visibility through targeted sponsor and grant opportunities within our corporate partner program, ranging from $5,000–$125,000. Make an unrestricted educational grant to support our continuing medical education programs, or sponsor various APMA activities. All members of the program receive generous advertising and recognition. The following programs are available for partnership. Live, digital, and print options are available.

The National
Drawing a nationwide network of podiatric physicians and surgeons each year, the APMA Annual Scientific Meeting (The National) remains the premier avenue for corporate partner involvement. Partners can make unrestricted educational grants, sponsor product theaters and receptions, and brand a variety of elements at this flagship conference, including the Team APMA 5K Run/Walk. Explore The National further on pages 7–13.

APMA Registry (New)
Develop customized research programs in conjunction with APMA.

Coding Resource Center
The premier online coding reference in podiatry, with more than 1,000 subscribers.

Coding Seminar
Make an unrestricted educational grant to support this popular event offering continuing education contact hours (CECH). The live meeting draws more than 150 participants, while the virtual platform registration exceeds 500 participants.

Educational Foundation
Make a tax-deductible gift and join a transformative effort to shape our field. The Educational Foundation has given more than $4 million in financial aid to academically talented students at colleges of podiatric medicine since 2005.

Legislative Advocacy
APMA is the only organization lobbying for podiatrists and patients on Capitol Hill.

Public Relations Campaigns
Associate your brand with our signature public education campaigns on timely foot and ankle health topics. Your brand is included in outreach to the public through APMA’s social media platforms, as well as grassroots materials used by members. The campaigns are supported by significant earned media and paid advertising efforts.

Residency Education Resource Center (REdRC)
Thanks to our sponsors, the REdRC is a free online educational resource for APMA-member residents. Sponsors may place educational content on the site.

Regional Lecture Series
Work with APMA to design a customized non-CECH regional lecture series lunch program, or support a CECH regional lecture series program at conferences hosted by our component organizations or regions.

State Advocacy Forum
Sponsor this one-of-a-kind meeting that brings together APMA’s state component leaders to strategize and collaborate on state legislative and legal issues affecting podiatrists and their patients.

Student Recruitment (New)
Join our initiative to increase the number of qualified applicants to podiatric medical schools. Visibility is offered through a brand-neutral website, digital media campaigns, and the Step into Podiatry event at The National.

Webinars
Sponsor an APMA webinar series. From January 2019 to June 2020, these programs received more than 7,000 live and recorded views. See page 9 for details about sponsoring your own webinar.
**Weekly Focus Digital Publication**
With a nearly 30 percent open rate, this weekly news publication is sent to our entire membership of 12,500 podiatrists, as well as others in the podiatric medical community. Ask about other publications options.

**Young Physician Programming**
APMA’s young physician members have unique and evolving needs. APMA has many opportunities to support events targeted to this important demographic:

- **The Young Physicians’ Institute (YPI):** Taking place every fall, the YPI brings together 50 newer practitioners and those in residency to expand their leadership skills, learn about growing a practice, and hear from experts on financial planning and other critical issues. Attendees take the knowledge gained back to their state component society and help ensure the present and future success of the profession.

- **The APMA Podcast:** The APMA Podcast serves as another platform for members to receive valuable and exclusive member-only content on a variety of topics. Each individual episode is embedded directly in the APMA website, so members can listen to each episode on the site. Sponsor an episode, mini-series, or full season. Ask us about metrics for this new program.

- **Young Physicians’ Reception; Lunch and Learn Sessions at The National:** The Young Physicians’ Reception at The National is a networking event intended for residents and young practitioners. Lunch and Learn sessions give young physicians the opportunity to present a one-hour lecture (or a series of brief lectures) on topics relevant to their peers.

Exhibit Space FAQs

Who is eligible to exhibit?
The exhibits are an extension of APMA’s educational program. In order for APMA to accept an application, the products and services must promote podiatric medicine and/or enhance the podiatric profession. APMA reserves the right to refuse applications for any reason.

How is space assignment determined?
The APMA Priority Point system is used to determine space assignment for all booth space requests received by Friday, November 6, 2020. This system develops a priority number for each exhibitor, based on the company’s support of APMA for the past three years, using the following criteria:

1. Consecutive years exhibited with APMA
2. Number of booths taken per year
3. Advertising placed in APMA publications
4. Support for APMA educational programs and other APMA programs

To benefit from the Priority Points rating, the application for exhibit space must be received on or before Friday, November 6, 2020. Applications received after Friday, November 6, 2020, will be assigned space in order of date received. APMA reserves the right to assign the next-best substitute space when the requested space is not available. Because it is not possible to contact each company, please do not concentrate all choices in one area of the exhibit hall. APMA reserves the right to reassign exhibit space.

The booth rental fee includes:
• pipe, drape, and company identification sign (note: sign available to island booths upon request);
• complimentary meeting pre-registrant data file;
• complimentary registration for your booth personnel;
• complimentary badges for your booth personnel;
• complimentary refreshment breaks in the hall with attendees;
• recognition on APMA website with link to company home page;
• recognition in print and digital meeting promotions;
• recognition in mobile meeting app, with link to company home page; and
• complimentary basic listing in APMA Buyers’ Guide.

The booth fee does not include furnishings or any other booth supplies. Booth supplies can be ordered at the Expresso by GES site. Visit www.apma.org/exhibits for the link.

Marketing Opportunities

Heighten the visibility of your brand and product by advertising in materials created specifically for The National. All ad opportunities have deadlines. View the media kit at www.apma.org/exhibits for dates and prices.

- Be seen before, during, and after the meeting.
- Many offerings provide exposure to the entire APMA membership, not just meeting attendees.
- Print and digital opportunities are available.

**The National Today (Show Daily)**

The popular meeting newspaper, *The National Today*, captures important information attendees need to know, but without the bulk of the meeting program book. Opportunities from cover to quarter-page ads are available. The daily is distributed to attendees each morning as they enter the meeting, and 85 percent of attendees report they read it each day.

**Exhibitor Marketplace**

Looking to make a splash? Showcase your brand and booth in the Exhibitor Marketplace featured in *The National Today*.

**Bin Branding & Hand Sanitizer Stations**

Get daily visibility for your company logo and/or product photo by branding the distribution bins for *The National Today* and hand sanitizer stations. Bins and sanitizer stations are placed strategically throughout the meeting and expo space.

**Meeting Mobile App**

More than half of The National’s attendees utilize the event mobile app. Advertise in the app and attendees will have your brand at their fingertips, no matter where they are. The APMA mobile app is supported by Android and iOS platforms.

**Exclusive E-Blast Opportunities**

**E-Blast notices and Newsletters**

Place your ad in customized e-blast notices and newsletters and build your brand with APMA attendees and members. You’ll extend your reach before, during, and after the meeting. Save when you purchase a bundled package.

Several options are available:
- eDaily (before meeting)
- ePreview (before meeting)
- eWeekly (after meeting)
- ePost (after meeting)

**SEND YOUR AD DIRECTLY TO ATTENDEES!**

Send your printed advertisement or digital ad directly to meeting registrants! Contact the exhibit hall manager for details: thenational@apma.org.
