

Barbara Campbell, D.P.M., F.A.C.P.M., C.W.S., FPMB Director & President, State of Arizona Board of Podiatry Examiners

Barbara A. Campbell, D.P.M. earned a B.S. in pre-medicine at Kansas State University. She attended CCPM at both the San Francisco and USC/LAC campuses. Dr. Campbell completed a surgical residency at Community Hospital Medical Center in Phoenix, Arizona and practiced in both Scottsdale and Paradise Valley for 25 years. Dr. Campbell achieved board certification with ABPM and ABWM. She is a life member of the APMA, Arizona Foot and Ankle Medical Association (AzPMA) and fellow and life member of the ACPM.

Dr. Campbell has been a physician member of the State of Arizona Board of Podiatry Examiners since 2010 and has served as its chair since 2014. Since her retirement from clinical practice Dr. Campbell has been active as a faculty associate at ASU Polytechnic, the Medical Director of ComfortFit Orthotic Labs, a member of the FPMB since 2018 and recent past president, trustee of the NBPME since 2018 and a participant in other activities of the NBPME since 2015. Dr. Campbell lectures to the first-year students at the Arizona College of Podiatric Medicine each year on the topic of Professional Conduct and Licensure.

Dr. Campbell has been involved with the Sjogren's Foundation since 2012 as a speaker, ambassador and Phoenix Walk committee member.

Russell J. Stoner, M.S., Executive Director, Federation of Podiatric Medical Boards

Russ Stoner has served the Federation of Podiatric Medical Boards (FPMB) in multiple capacities since 1994. He has been the organization's executive director since 2013 and works with the FPMB's Executive Board in developing strategic initiatives. Russ is responsible for the implementation of these initiatives, as well as managing the organization's daily operations. He has led the FPMB's data initiative focused on data collection, analysis, and reporting. During the COVID-19 pandemic, this initiative was particularly impactful in aiding NBPME, APMA, and others in the podiatric community make informed decisions. Russ also leads the FPMB's modernization initiative that has reduced the score and disciplinary report process for podiatric licensure from taking a median start-to-finish timeframe of

days and weeks to less than one business day.

Russ has also worked for other podiatric organizations, including American Academy of Podiatric Sports Medicine, District of Columbia Podiatric Medical Association, and Mid-Atlantic (Region 8) Podiatry Conference. He is an engaged member of American Society of Podiatric Executives and assists the organization with its website, listserv, and member directory. Russ also has 10 years of prior work experience at Goodwill Industries International (GII), ranked #7 by Forbes in their 2015 “50 Largest U.S. Charities” list. In 2009, he was the first recipient of GII’s “Walk this Way Culture Award,” the organization’s top award.

A native of Maryland, Russ holds a Bachelor of Science in business and management and a Master of Science in management with a nonprofit and association management specialization, both from the University of Maryland.

Kevin D. Malecek, M.A., Chairman, Lake County Energy Special Improvement District

Kevin D. Malecek has served in a variety of capacities in the governmental, business, non-profit, and political arenas in Northeastern Ohio. Currently, Malecek serves as Director of Economic Development and International Trade for the City of Mentor, Ohio. In that position, Malecek oversees economic development, business attraction, retention, and expansion efforts both domestically and internationally for one of the largest manufacturing and retail centers in the State of Ohio, representing over 200 manufacturers, and 300 plus retailers, restaurants, and professional service firms.

Previously, Malecek served as Lake County Commissioner, sharing responsibilities with two fellow County Commissioners for the governance and operation of the county government of Lake County, Ohio. Prior to being Commissioner, Malecek was the President and CEO of the Mentor Area Chamber of Commerce and served as Director of the nationally-ranked Part-Time MBA Program at the Weatherhead School of Management at Case Western Reserve University.

Malecek currently serves at the Chairman of the Lake County Energy Special Improvement District (ESID), as a member of the Ohio Advisory Board for ERIEBANK, of the State Advisory Board for the U.S. Global Leadership Coalition,

the James A. Garfield Alliance, the Lake Erie College Board of Directors, the British-American Chamber of Commerce of Ohio Board of Directors, as Vice Chair of the Cleveland Committee on Foreign Relations.

Kevin earned a Master of Arts in Government: Applied Politics and a Bachelor of Arts in Political Science and History from American University in Washington, DC. While at the university, Malecek ran the day-to-day operations of the Campaign Management Institute, one of the oldest and most prestigious political campaign schools in the United States. Malecek has lectured at the Ray C. Bliss Institute of Applied Politics at the University of Akron, Mount Union College, and currently holds an adjunct lecturer position at American University in Washington, DC. In 2012, he was honored to serve as a member of the Electoral College as the elector from Ohio's 14th Congressional District.

Malecek was previously honored with the Crain's Cleveland Business "Twenty In Their 20's" Award, recognizing up and coming professionals in the Greater Cleveland area and was awarded American University's "Rising Star" award for young alumni. In 2021, he was recognized by Leadership Lake County as their "Leader of the Year."

Kristin Brackemyre, M.P.P., Director, PAC and Government Relations

Kristin Brackemyre is the director of PAC and government relations for the Public Affairs Council. In this capacity, she is the lead expert for the Council on PACs, campaign finance and political programming. Kristin convenes the industry's leading executive education programs on PAC management, fundraising and political engagement. She has been quoted as a corporate and association PAC expert in various media outlets including Axios, Bloomberg, The Hill, Politico and Roll Call. In addition, she provides guidance to members on best practices and emerging trends within the PAC, advocacy and public affairs management functions. Kristin also co-leads the U.S. public affairs practice team and oversees the Council's program operations team, responsible for executing over 100 conferences and executive education programs a year.

Prior to joining the Council, she served as senior manager, PAC and political affairs at the Consumer Technology Association (CTA) where she managed CTAPAC and CTA's Innovation House, a Capitol Hill event space. Previously, Kristin served as manager, political affairs at the American Association of Orthopaedic Surgeons

(AAOS) where she was responsible for developing solicitation and disbursement campaigns for its PAC receipts of over \$3 million per election cycle.

A native of Illinois, Kristin holds a Bachelor of Arts in political science from Western Illinois University and a Masters of public policy from George Mason University.

Eugene Nassif, D.P.M., A.B.F.A.S, Iowa Podiatric Medical Society

Dr. Nassif is an active lecturer in the community, and he participates in many foot and ankle related community events. He was once a columnist on foot health for the Involvement Magazine and has authored several publications.

A native of Cedar Rapids, Iowa, Dr. Eugene L. Nassif graduated from Washington High school, then went on to graduate from the University of Iowa and the Dr. William M. Scholl College of Podiatric Medicine. Residency was completed at the Foot and Ankle Surgery at Straith Hospital for Special Surgery in Michigan.

Steven Bradley, D.D.S., Iowa State Representative

Representative Steve Bradley is seeking his second term to the Iowa House after unseating the sitting Ways & Means Chairman in this spring's primary, following having been remapped into the same district. Representative Bradley has been a practicing dentist for 36 years in NE Iowa, has done mission work in Bolivia, and is a private pilot & flight instructor.

He serves as the Vice Chair of the House Human Resources Committee. He is also a member of the Economic Growth, Transportation, & Natural Resources Committees in addition to serving on the Human Resources Budget Subcommittee.

Having a lifelong friend who is a podiatrist made Representative a strong advocate for DPMs in the Iowa House, assisting with IPMS priorities including a vaccine administration bill.
